

SKIING

We are having a ski PE day for students in K-8th at Mission Ridge on Friday Jan. 12. **PTL will be covering the cost for all St. Paul's Students.** Parents and siblings can also sign up for the day at the same student cost of \$65.66 tax included. This price includes equipment, a lift ticket, and a lesson. We will need volunteer drivers to transport students up and back and to ski with more advanced students.

Please use the Mission Ridge online sign-up at <https://estore.missionridge.com/groups/> for everyone that will be skiing that day (parents & siblings too). Mission Ridge also asks for ski level information from the school, so please fill out the information below for every participant (parent/sibling as well as student). Any student that has not skied before should start with skis, not snowboarding.

This is considered a PE lesson so all students are expected to attend. If your student will not be attending, he/she will need to stay home from school that day as we do not have an alternative activity or childcare available until after school (3pm).

Please return this form to school by **December 14.**

Student: _____ Age: _____

Parent: _____

_____ My student will not be participating.

_____ My student will be participating:

Ski _____ or Snowboard _____

_____ Myself or a sibling will also ski*

_____ (name) _____ (age if child)
